

## Hurry That Cargo Down

© McKay/Etherton

Chorus:

*Hurry that cargo down me boys  
Hurry that cargo down,  
Hurry that cargo down me boys,  
Oh hurry that cargo down,*

I know a girl with hair of black  
*Hurry that cargo down,*  
Flows right down to the middle of her back  
*Oh hurry that cargo down,*  
I know a girl with hair of red  
*Hurry that cargo down,*  
Flows right down to the bottom of the bed  
*Oh hurry that cargo down*

Chorus:

I know a girl with hair of brown  
Flows right down and down and down  
I know a girl with hair of gold  
Flows right down to the cargo hold

Chorus:

I know a girl with hair of white  
Flows right down and out of sight  
I know a girl with hair of grey  
Flows right down to the loading bay

Chorus:

I know a girl with hair so soft,  
Flows right down from up aloft  
I know a girl with hair so long  
It wouldn't all fit into this here song,

Chorus:

*Hurry that cargo down me boys  
Hurry that cargo down,  
Hurry that cargo down me boys,  
Oh hurry that cargo down*
